

REMARKS

This Preliminary Amendment provides improved syntax to the original claim and removes "preferably" clauses and multiply dependent claims while at the same time avoiding any restriction to the broad scope of the invention. The added claims add the limitations of the cancelled "preferably" clauses and also provides a set of claims similar to Claim 3.

The Commissioner is hereby authorized to charge any fees associated with this response or credit any overpayment to Deposit Account No. 13-3402.

Respectfully submitted,
